Mr. Paul Tandler
Cerro Copper Products
P. O. Box 681
East St. Louis, Il. 62202

Dear Mr. Tandler:

Attached are two test reports for our sludge taken almost two years apart. The one dated October 24, 1978 was to obtain a permit to landfill our sludge. The second, dated August 1, 1980, was to allow us to look at our RCRA status. Being for different purposes, the parameters are different. I hope they will be of some help.

Sincerely yours, *

C. J. Marciante
Plant Manager
